Foundry27 Glossary#

This page describes the terms used in the portal.

Anonymous Community Member#

A QNX Community Member without a myQNX account.

Community Member#

In the context of the Foundry27 portal; synonym for QNX Community Member.

QNX Community#

The set of all QNX Community Members.

QNX Community Member#

QNX Community Members span the full spectrum of developers using the QNX software platform. This includes developers building applications running on the platform, as well as developers building tools to help develop such applications. Developers may be hobbyists, educational institution faculty members or students, commercial developers, consultants, or QNX technology partners.

Registered QNX Community Member#

A QNX Community Member with a myQNX account.
